

vogue bath

vogue bath

The Vogue freestanding bath is without doubt the high end of the market for quality. Manufactured out of a rigid pure white marble resin composite giving a superb feel quality.

With its simple classically contemporary style this is a freestanding bath that can be the main attraction of any bathroom.

The bath measures 1700mm long x 700mm wide x 620mm high and weighs an impressive 85kg which is solid but not too heavy.

constructed from white marble resin

without tap holes

water capacity: 300lrs

weight: approx 85kg

height: 620mm
